Pastor Sam is home!

For all who have asked, our good friend, Pastor Sam Sseba has returned safely from Uganda.

He will be self quarantined for 14 days since he doesn't know if he's come into contact with a person/persons who have the COVID-19 and wants to err on the side of caution after many plane trips.

Thanks to God for returning him safely to us!

Important Notification

I know it feels great to be in community in person; we all miss it already! We ask that your temptation to visit the building during office hours be held back for now. Stay home and be safe; limit your visits with people if you can. Only come if it's absolutely necessary and then try to plan your trip when the least amount of people are here or simply don't make the trip.

We miss seeing you in person! Get yourself a Facebook page if you can so we can see the virtual "you" and know it's all okay in your world. If you're receiving this email it means you have a computer and an internet connection and that's all you need. Having a Facebook page means you can be "live" with us when we do our live stream and you don't have to wait for the link to our recorded services! Consider it!

Do you have any special concerns that need to be shared with our community? Please contact the church office for continued prayer requests or to speak to or leave a message for Pastor Conrad or Pastor Sam.

LENTEN SPECIAL OFFERING RECIPIENT

The Blackfeet Nation in Browning, MT, is where our Youth Group is going on their mission trip this summer. There are so many needs there, especially for children growing up in an impoverished area with many social and emotional struggles. Helping to give the children of the Blackfeet Nation a hand up in their growth as productive young people would certainly be a blessing to them.
